Re: Your Grievance

In regards to a grievance you submitted via the Local 589 app on June 29th, 2022: On June 19th, 2022, the MBTA awarded you the position of performed Inspector. Upon being granted that position, Inspectors Local 600 became your exclusive bargaining agent for individual disciplinary matters. While the absences you were disciplined for may have occurred during your time as a Spare Inspector, Local 600 now has the exclusive role of representing you both to management and at arbitration. The previous matter you referenced in your grievance, in which Local 600 was called to represent you was expunged due to the TV's error. This matter, however, was handled by the appropriate bargaining unit.

I have reviewed your grievance. Based on the evidence you presented with your grievance and my investigation, I have determined we can not prevail with your grievance. In accordance with Section 27c of the Local Union By-Laws you have the right to appeal this decision to the President/BA of Local 589.

*Section 27c: "When a grievance is determined to be, either by the Delegate or the Executive Board, non-sustainable or without merit, a letter shall be sent to the member at their address of record with the union. Such notification shall be sent by U.S. First Class Mail, informing the member of such a determination. The member shall have the right to appeal such determination to the President/Business Agent. Such right of appeal shall be required by the member to be in form of a letter to the Recording Secretary of the union and must be received by the union within Thirty (30) calendar days from the day next following the date such a notification was sent to the member. Further, the letter of appeal sent by the member is required to be sent by U.S. Postal Certified Mail, return registered receipt requested".*
